Education

Athletics

Curriculum Building

Over 10 years in Physical Education, Nutrition Development, after-school sports and enrichment programming

AthLEAD Academy

Program Objective

AthLEAD Academy organizes engaging activities that will keep students physically active while participating in structured activities developing their leadership, teamwork, community building, social, physical, emotional and behavioral skills.

AthLEAD Academy Staff

CPR and First Aid Certified

Fingerprinted and background checked

Trained in Child Abuse prevention with the state of California

An extensive 3 day training with athlead advantage

2+ years of coaching or teaching experience needed to work with students

Staff Hired are aspiring coaches, teachers, health and wellness counselors, and school administrators

Activities

■ After-School Sports

Throughout the school year, students can learn the fundamentals of various sports.

Students will participate in street hockey, pickleball, track and field, basketball, soccer, flag football, and volleyball.

Students in basketball, soccer, flag football, and volleyball will form a team and compete in a sports league, depending on the sports season.

■ Get Your Einstein On!

Students will have the opportunity to be part of a fun and exciting science activities that will give students a whole hands-on experience.

They will create rockets, slime, tornado jars, volcanos, and more.

Students will have the opportunity to test experiments and take projects home after completion.

Activities

■ Health and Self-Care

Health and the self-care awareness will provide a space for students to learn healthy coping mechanisms to deal with stress.

These activities will also educate students on how to care for themselves physically, mentally, and emotionally by journaling, stretching, breathing exercises, fitness activities, and much more.

These activities will also entail learning about healthy eating habits and creating nutritious snacks or drinks.

■ Gardening

Gardening will introduce the youth to gardening, conservation, protection of wildlife, recognition of plants, trees, and shrubs, basic flower arrangements, and a love and appreciation of nature.

Gardening will partner with the health and self-care in creating healthy choice recipes.

Student Safety

Student Sign In and Out protocol:

- Staff will sign in students at the time they arrive to program at the lunch tables.
- Upon parent arrival, all parents must present a valid government Id and be on the pick-up list on the students sign-in and out sheet.
- Students will not be released until ID is presented
- If parents are to add an adult of 18 or older to pick up last minute, a confirmation email will need to be submitted stating their approval.
- Upon approval, parents must sign out their child on the indicated section of the sign out sheet including the time of pick up.

Pick-up will be only done through the east loop gate.

Intersession

September (9/25/23 to 9/29/23)

March (3/18/24 to 3/22/24)

December (12/18/23 to 12/22/23)

June (6/7/24 to 6/28/24)

Program Days and Times: Monday-Friday from 8:00am to 5:00pm.

Intersession

Each week your student will be participating in a variety of STEM and art activities like splatter paint, t-shirt making, a bubble run, and lots more! In our intersession programs, your student will put their minds to the test and expand their creative ideas. AthLEAD Advantage staff will hold organized and engaging athletic and team building activities that will keep students engaged while developing their leadership, teamwork, community building, social, physical, emotional, and behavioral skills.
