We're excited to welcome students back on Tuesday. Fourth quarter will be busy and will go by quickly. Please be checking Dojo regularly for communication from your child's teacher and us.

The parking lot in front of the office will be closed during dismissal. The parking spots are taken quickly, and we've had cars lined up in the parking lot even though there is nowhere to park. Students have been walking in the parking lot to get in their cars, which is extremely dangerous. We've had several close calls with students almost getting hit, cars almost hitting each other, and we've had fender benders. The parking lot is not meant to be used for parents to drive up and have students walk to their car. We encourage you to use the loops instead. Student safety is our top priority. We appreciate your understanding and help with this.
