This week's:

Core Value: Please
Common Courtesy: Caring

We encourage you and your child to thank a teacher and a staff member for their hard work and dedication. Discovery is amazing because of the more than 80 staff members we have that work tirelessly to provide students with a safe and loving learning environment.

Last week we sent home the 2023-2024 Federal Survey Forms (yellow). Our District receives financial assistance from the U.S. Government on the basis of the number of children enrolled in our schools whose parents reside or work on federal property **or** are on active duty in the military service. These funds are important to Discovery, and to the education of your child. If you have not done so, please fill it out and return it.

In an effort to not interrupt classrooms and instruction, we are asking families not to drop off deliveries once school has started. This includes water bottles, lunches/snacks, sweaters, homework, etc. We appreciate your ongoing cooperation with this.
